

AIR ACADEMY & TRAINING CENTRE

Airflow is proud to announce that the state-of-the-art Air Academy training facility, showroom and conference centre is now open.

This 500m² facility is designed to educate, inform and inspire all that come to this modern venue.

Within the Air Academy you will be guided through the history of ventilation and be able to see the first inclined manometer to go into commercial production as well as some of the first internet controllable domestic and commercial MVHR units in the U.K.

Air Academy is more than just a showroom, it is also an elite training facility that is able to offer CIBSE and RIBA approved CPD seminars and is also equipped to offer the NICEIC Competent Persons Ventilation Installer Training Scheme.

To arrange a time for you to visit the Air Academy or hire out the conference facilities, please contact your Account Manager or alternatively contact Airflow on:

+44 (0)1494 525252 or e-mail info@airflow.com.
