iCON 30
Stylish toilet, bathroom and utility room ventilation

iCON 30 is quiet, powerful and designed for recessed or surface mounting in walls or ceilings in larger toilets, bathrooms and utility rooms.

iCON 30 is designed to provide ventilation levels that comply with the latest Building Regulations.

KEY FEATURES

• Mixed flow fan
• Flow rate up to 117 m³/h
• Recess or surface mounting
• Different colour covers available
• Perfect for longer duct runs
• Unique iris shutter, prevents backdraughts, operates silently
• Interchangeable control modules match fan to installation requirements
• Circular design, no squaring up
• IPX4 rating
• Complies with Building Regulations
• 3 year warranty

The iCON fan is an efficient, stylish and unique ventilation solution for the modern home. The shutter design makes switching on and off almost silent and helps reduce external noise ingress.

The slim profile and iris shutter of the iCON make it a fan which will blend discreetly into any setting.
